Hi Carol,

I hope this finds you well. I apologize for the delay getting this to you. I changed the route this year and wanted to be sure this would be final if approved by the city. I submitted the insurance request this morning and will follow up with you on the progress. We ran into a few snags last year in some of the wording but I sent along the examples in the application. Is it possible to bring the check the day of the meeting with you all? If not, I will request that today as well. T

Thank you so much, please let me know if you have any questions regarding the application.

Take care,

Hi Phil,

I have received your Special Event Packet and will put your Street Use Application on our Board of Public Works Agenda for the October 20<sup>th</sup> meeting with the understanding that the insurance is on it's way. Also, the Street Use Application will be forwarded to the Common Council for their meeting on November 3<sup>rd</sup> for final approval.

We have a Special Event meeting scheduled for Tuesday, October 28<sup>th</sup> with an opening at 1:30. Will that day and time work for you? We would need your insurance by that date as well in order to forward the Street Use Application to the Common Council for the November 3<sup>rd</sup> meeting. And yes you can bring your \$50 check on the 28<sup>th</sup>.

Please let me know if the above will work for you. By the way, I know all about delays and snags! Thanks Phil,
