1. **Special Use Permit Amendment – 1284 Midway Road – Hotel/Rooming Type Use**

Commissioners discussed the basis for the current Special Use Permit which is to allow student housing at the facility. Chief Styka commented on several instances where problems with residents of the student housing were encountered. Commissioners discussed potential problems with transient use if suitable controls are not in place. Staff commented on potential difficulties of applying these controls via the Special Use Permit process. BMOC representatives described their intentions to use the facility during the summer months when students are not present to house participants in various organized events. Use would be restricted to multi-day occupancies and there would be on-site management of the facility.

Motion by Comm. Sturm, seconded by Comm. DeCoster to table this item pending development of a licensing procedure or other mechanism for limiting the transient use of the property. The motion carried.

2. **Re-plat of Part of the Ponds of Menasha and Outlot 2 CSM 3277**

CDD Keil stated that the purpose of the replat is to convey ownership of the Outlot 2 pond within CSM 3277 from the Redevelopment Authority of the City of Menasha to the adjoining undeveloped lots in The Ponds of Menasha plat. Commissioners discussed access for maintenance of the pond and the location of the well that feeds it. This item was held.

3. **Extraterritorial Certified Survey Map – Woodland Drive**

PP Homan stated that the owner of the parcel desires to split it into two lots with the intention of annexing Lot 1, which abuts Woodland Drive to the City of Menasha. Commissioners discussed whether sewer and water services would be provided by the City or Town of Menasha. It was determined that the city would provide those services to Lot 1.

Motion by Comm. Sturm, seconded by Comm. Cruickshank to recommend approval of the Woodland Drive Extraterritorial CSM. The motion carried.

4. **Certified Survey Map – Fountain Way**

CDD Keil reported that it will be necessary to follow procedures for discontinuing a public way prior to approval of the CSM. This item was held.

5. **Province Terrace Trail Relocation North of Manitowoc Road**

CDD Keil discussed possibilities for future bike/pedestrian facilities in the Province Terrace/Oneida Street corridor and extending eastward on Manitowoc Road. DPW Radtke commented on considerations related to right of way configurations and utility layout within Province Terrace. Commissioners discussed the needs for current and future bike/pedestrian accommodations in the corridor.

Motion by Comm. DeCoster, seconded by Comm. Sturm to place the bike/pedestrian trail on the west, and sidewalk on the east side of Province Terrace extending from Manitowoc Road to Midway Road. The motion carried 5-1 with Ald. Zelinski opposed.

6. **Annexation – Gemelli Real Estate Wisconsin, LLC – Impact Report to Common Council**

CDD Keil reported that Gemelli Real Estate Wisconsin, LLC which owns parcels on Appleton Road adjacent to the Piggly Wiggly grocery store is the petitioner for the annexation. This is a "majority" annexation, and four other parcels on Racine Road are included in the annexation. The total area of the annexation is 2.1 acres.

Motion by DPW Radtke, seconded by Comm. Cruickshank to direct staff to submit a "no impact" report and recommend the annexation to the Common Council. The motion carried.

H. ADJOURNMENT

Motion by Comm. DeCoster, seconded by DPW Radtke to adjourn at 5:18 PM. The motion carried.

Minutes respectfully submitted by CDD Keil.

Memorandum

RE: Acquisition of Opus Realty Property - 867 Valley Road

Staff has been working with representatives of Warehousing of Wisconsin (WOW) and the Wisconsin Department of Natural Resources concerning the potential expansion of WOW facilities into adjoining lands owned by Opus Realty, Inc. There is documented environmental contamination on the Opus Realty site which WOW desires to be remediated prior to its acquisition of the property. There are certain grant programs available to local units of government that are not available to private entities for site investigation and subsequent clean up, if required. WOW is requesting that that the City of Menasha undertake the acquisition of the Opus Realty property to enable the use of grant program funds for site cleanup.

The tentative outline for such an acquisition involves the following basic steps:

- Acquisition of the Opus Realty property by the City of Menasha via a friendly condemnation procedure.
- Acquisition costs to be paid by WOW.
- Additional environmental site investigation, if required, to be performed by city using grant funds.
- Site remediation, if required, undertaken by city using grant funds.
- Building demolition/site clearance to be undertaken by city, using grant funds if available. Any demolition/site clearance cost not covered by grant funds to be paid by WOW.
- City to lease site to WOW until such time as a site closure letter is issued by WDNR.
- City to transfer property to WOW upon issuance of a site closure letter.

The purchase, sale or lease of property by the city requires the Plan Commission to make a recommendation to the Common Council regarding these transactions. I am requesting that the Plan Commission recommend that the city pursue the acquisition of the Opus Realty property to enable the future expansion of WOW's warehousing operations on Valley Road.
